I Sewanee, May 3.—To-day has been a gala day at the University of the South of the cross-examination, the insanity of the cross-examination, the insanity of the cross-examination, the insanity of the cross-examination, the sensor of the cross-examination, the sensor call also favored Vest's amendance.

SEWANEE, TENN.

From the Special Correspondent of the Appeal. I Sewanee, May 3.—To-day has been a gala day at the University of the South of the Copies in the chamber was one of intense and provide in the insanity of the cross-examination, the i much better than that of Cornwall, and the committee will make a minority re-will yield about seventy five per cent. of port. The report says: "The committee be more justly odious than to use such investigations and disclosures ton at Chicago he will throw his as partisan instruments, unless it be to to John Logan, and failing in profit by or screen the crimes which are investigated. But the rights invaded

were the rights declared by the national constitution, and which the national Conison, of lows, and Gen. Sherman. These prists was bound to secure by appro-are his preferences, and in the order violation by any State. If the powers already conferred upon Congress by the constitution were not ample for their protection, it would become their duty to propose further powers, that the blessing fliberty and equal protection and the

might be exercised and enjoyed by all.
The committee then reviewed the
testimony of the alleged outrages in sem, they conclude a conspiracy, organ ized by representative young Democrats, with the countenance of that party in lopiah was entered into to drive their op-onents from the polls. To that end a mob was gathered, systematic outrage perpetrated, ending in murder, one of the victims being a wealthy and generally respected white man. During the whole ime these outrages were going on he Democratic State and county officers remained passive, and thus allowed the election to be turned into a

nockery." In conclusion the report says investigation of the security of constitu-tional rights in Mississippi. It can only refer to the evidence of witnesses who think Copiah a favorable specimen of the counties in that State, to documentary ence taken by the Senate committee in 1876, to the testimony in election cases in the House of Representatives, to numerous declarations of the Democratic press, and to crimes well known and unpunished, such as the murder of Chisholm, of Dixon, of Foote, United States collector of internal revenue, and three others, in Yazoo, whose blood-stained hand Coiah is so eager to grasp. No legislation lealing with Mississippi alone should be macted without an investigation which should cover all parts of the State. Before such an investigation a national election will have taken place, at which the temof Mississippi will undoubtedly be made fully manifest. If the constitu-tion has not power enough in its arsenal for the protection of all

others. Each house of Congress is im-peratively required by its duty to refuse eats to persons where their election is firectly or indirectly due to crime, either violence or fraud. The committee scommended the publication, for the use recommend that after the next election in Misaissippi, unless the same be unques-tionably fair and free, there shall be a full investigation of the condition of things in that State, with a view to determining the

question whether a republican government exists there, and whether it is en ittled to its existing representation or has forfeited it in whole or part by reason of the denial or infringement of the right to vote of any of its people. The question of further legislation the committee reserves for further consideration.

CONGRESSIONAL. The Tariff Bill in the House-Procee ings in the Senate.

WASHINGTON, May 6 .- The hour was dispensed with, and the House went into Committee of the Whole, Mr. Cox [N. Y.] in the chair, on the tariff bill. Mr. Brown [Pa.] spoke in support of the protective system of taxation.
Mr. Townshend quoted from various platforms of the Democratic National Conventions to show that the party always had been in favor of tariff reform and had always declared for revenue tariff. always declared for revenue tariff.

Mr. Gibson also spoke in support of the

The mill will be pushed to completion. The Burnham Grate Company, after considering the advantages of several Southern manufacturing centers, have decided to locate here a large founday to make grates hellowness and town.

cided to locate here a large founday to make grates, hollowware and stoves.

NASHVILLE, TENN.

The State Gains a Lawsuit—The Trial of Col. Spence.

Special to the Apreal.

NASHVILLE, May 6.—Chancellor Merritt gave judgment against Davidson county in favor of the State to-day for all costs for forfeitures and fines in cases tried in the Criminal Court at Nashville during the last six years in which defendants had been indicted for felonies where sentence was afterward commuted to imprisonment in the county workhouse, and were paid or worked out. The clerk and master was ordered to take an account of the same. The amount, it is believed, will reach between \$50,000 and \$100,000.

India Contrerece, observed the following, which was referred to the Committee on Missions: "I want this body to say that it is lawful and right to get people converted to God, and to organize them into supporting Methodist Episcopal churches in forcign countries, just as we have always been accustomed to do in the United States, and such churches, under the jufficion of our bishops, fulfilling the disciplinary conditions of membership, shall be eligible to direct legitimate relation to the Methodist Episcopal Church without being put under the jurisdiction of a missionary society, such churches opposing no bar, but assisting the Missionary Society in the work of founding missions around the proposition of the same countries; that a rule may be ordained that young members be or lained for foreign work at the beginning instead of at the end of the same ordered to take an account of the same. The amount, it is believed, will reach between \$50,000 and \$100,000. ween \$50,000 and \$100,000. The trial of Wm. Spence for the murder of his son-in-law, Col. Edward S. Wheat, on the 11th of last March, was proceeded with to-day, the State proving Spence's determination for some time prior to the murder to do the deed. From the nature of the cross-examination, the insanity dodge will be adopted by the defense.

ing burning oil over the congregation.
One colored woman was burned to death; another had all her clothing burned off and will die. Several others were badly burned. A panic prevailed and the entire town turned out, thinking a negro uprisity of the colored and the entire town turned out, thinking a negro uprisity of the colored and ceived announcing that our representa-tives, Mr. A. H. Marks (son of Ex-Gov. Marks) and Mr. J. A. Harris, of Mississip-pi, had, respectively, won the first and second prizes in the oratorical contest, held in Nashville last night, between the representatives of the various colleges in the State. At once the wildest enthusiasm was everywhere displayed, and since 10 o'clock a.m. the day has been devoted to PHILADELPHIA, May 6. — Eugene C Woodward, treasurer of the Presbyteria to the victors, who returned at Board of Publication, has left the city

or to the victors, who returned at 1 o'clock and were received with military honors. All the university was at the depot to meet them, professors, ladies, students, townspeople, everybody. The battailon of cadets and a battery of artillery were held as an escort of honor. As the train came in sight the engine whistled as it never did before. Those on board shouted, waved hats and handkerchiefs and some their costs. They were HOUSTON-MARSH-At Gaston's Hotel, Tuesday, May 6, 1884, the Rev. H. A. Jones officiating Mr. J. S. Houston and Miss Many Mansu, bot chiefs, and some their coats. They wer answered with cheer on cheer, and volley HARDIN-At his home, May 6, 1884, W. D. HARDIN, of Marion, Ark. Due notice of funera James A. Connolly, whose nomination as Solicitor of the Treasury was yesterday confirmed by the Senate, has formally declined to accept the place. confirmed by the Senate, has formally declined to accept the place. The reason assigned for the refusal is that Connolly could not accept the appointment without making a very considerable pecuniary sacrifice, inasmuch as his private law practice affords him an income much larger than the salary of Solicitor of the Treasury. It is announced that the President will make another appointment in a few days.

The Siamese Embassy.

The Siamese Embassy.

The Siamese embassy called at the White House to-day, and paid a formal visit to the President. They were accompanied by Secretary Frelinghuysen, Consul Smith, Rear Admiral Rodgers and Lieuts. Mason and Potts. The President was attended by all the members of the Cabinet now in the city. The ambassa-dors were all attired in full court costume of the richest character, the distinguishing feature being cloaks of native gold. They were received in the blue parlor and the university. Mr. Marks made a brief reply, in which he stated that he felt his success was due not so much to himself as to the teaching and training he received from the university. Mr. Marks made a brief reply, in which he stated that he felt his success was due not so much to himself as to the teaching and training he received from the university. Mr. Merks made a brief reply, in which he stated that he felt his success was due not so much to himself as to the teaching and training he received from the university. Mr. Merks made a brief reply, in which he stated that he felt his success was due not so much to himself as to the teaching and training he received from the university. Mr. Merks made a brief reply, in which he stated that he felt his success was due not so much to himself as to the teaching and training he received from the university. They were then conducted to the vice-chancellor's carriage, which was gay with banners and the national colors, and driven to University Place. All punishments suspended and the students being relieved from all duty, they devoted the afternoon to merry-making or they had won for themselves and the university. Mr. Marks made a brief re-ply, in which he stated that he felt his
